2019-20 performing arts season

"EXPECT THE UNEXPECTED"

SCHAUER ARTS CENTER
A s we approach the 2019—2020 Season at the Schauer Arts Center, I approach the end of my first year as Executive Director. I consider it a privilege to be part of this unique gem in the heart of the Kettle Moraine. It has been wonderful to get to know our regular patrons, meet many new friends and experience the level of community support given to the Schauer Center.

The SCHOOLTIME MATINEE SERIES is back and ready to entertain thousands of students with engaging characters and lessons from books and life. Seeing busloads of children leave smiling, singing, and dancing reflects the core of the Schauer mission.

The Schauer School of the Arts continues to offer participation in the arts through dance, music, visual arts and theater. The chance to learn, practice and perform builds self-confidence, discipline and teamwork. Participation at a young age fosters appreciation of the arts for a lifetime. What a wonderful gift to give to youth.

The Schauer Center has a history of bringing the best in professional arts entertainment and the new season will continue that tradition. The coming year will bring the quality experiences you expect with a few unexpected twists. Along with music from Americana to Strings, classic comedy and educational family entertainment; watch for tasting events, local students performing on stage alongside professionals, 4D glasses and more!

Be sure to check out the full season of programming and events. Come back for what you love or try something new; we will be ready for you!
