MISSOULA CHILDREN'S THEATRE: TREASURE ISLAND

Entering Grades 1-12

The Missoula Children's Theatre takes pride in presenting *Treasure Island*, an original adaptation of Robert Louis Stevenson's epic novel. Young Jim Hawkins, a mischievous lad, lives with his mother and six sisters in a seaside village on the coast of Maine. The year is 1782, and the American War for Revolution is in its last days. Longing for adventure, Jim comes under the hypnotic spell of the legendary pirate, Long John Silver. While waiting tables in the family Inn, Jim finds a treasure map and, with the villainous Silver as his seeming mentor, sails uncharted seas with only the ragged map and a flock of Gulls as guides. Always up for an adventure, Jim's Ruffian friends say farewell to their Mariner parents and serve as cabin boys for Silver and his band of hilarious (although unsavory) Pirate types. Once on the

island, nights are sleepless as true colors are revealed in our hero's quest for the proverbial happy ending. Then—at last—the treasure is found and hand in hand we're homeward bound.

Each year, Missoula Children's Theatre drives a little red truck from Montana to the Schauer Center. Two professional MCT tour actors/directors hold public auditions, casting local school-age children in an hour-long original musical. The cast rehearses for a week and then performs a fully staged and costumed show.
